

WI PANORAMIC BANNER

Revolutionize your communication with VM PANORAMIC BANNER.

The innovative and hybrid panels allow you to increase your visibility by communicating elegantly while respecting window display codes. Make the most of this solution to market your brand and your services. Compatible with A4 or A3 VM TWO displays.

DUAL-SIDED DISPLAY

Insert two different advertisements per display, one facing forwards and the other facing backwards.

VARIOUS ORIENTATION

Portrait or landscape.
